RULES & REGULATIONS:

CHECK IN 7-9am: Volunteers will sign you in and show you to your spot. Bring your own tent, table, etc. but please unload and move your vehicle BEFORE setting up. Anyone not on site by 9am will NOT be admitted. SORRY, NO refunds or exceptions.

TASTING: Collect 1 ticket per 3oz sample with garnish. Garnish must fit on a 3oz glass. NO PLASTIC swords, toothpicks, etc. **Serve only 3oz samples in Surfrider glasses only.** Patrons will re-use their glasses so **NO RIMMING GLASSES** – it’s just nasty.

PEOPLE’S CHOICE: Save tickets in a fishbowl, etc. Tickets must be turned in by 5pm – **late tickets will not be counted.** Again, 1 ticket per sample. DO NOT serve samples over 3oz or sell samples, please. This policy will be strictly enforced.

BLIND JUDGING: You will submit 5 3oz samples and 1 16oz sample – with garnish –identified by a randomly assigned number. Do not include your team name with your samples. Judges will score Taste, Heat, Originality, and Garnish. We will announce the winners for each category, Best Overall, 2nd Place, and People’s Choice at 5:30pm then post them on our website and social media.

ZERO FOOTPRINT: NO PLASTIC BAGS, STRAWS, TOOTHPICKS, SWORDS, CUPS, WATER BOTTLES or STYRFOAM. Separate trash and recycling. Pack up and be ready to roll by 6pm. Anyone who does not clean up after themselves will not be asked back.

POUR RESPONSIBLY: Check for hand stamps and ask for ID, as needed. If someone looks too tipsy to serve, don’t serve them – including team members. You get 2 bottles of Tito’s to start. Re-supply crews will circulate regularly, just be patient and watch your pours. **REMEMBER:** Over pouring doesn’t mean you’ll win, only depletes our supply faster. If we run out, we run out.

OCEAN FRIENDLY RESTAURANTS (OFR): Over 400 businesses have joined Surfrider nationwide to help reduce the impact of plastics and Styrofoam on our oceans and beaches. Sign up to receive discounts on eco-friendly products, FREE ENTRY to 2019 Grand Strand Surfrider events, and a listing on the OFR database/locator.
